

# Logos 2023

## Small Group Guide

### Friday Night

#### [5 mins] Get to Know Each Other Better

- If you haven't already, share your name and major
- Also share your favorite snack as a kid. Why was that your favorite?

#### [15 mins] Share about Your Semester

*Each person picks one or two of the below questions and shares their answers with the group*

- What were some key moments for you this semester? What made them key for you?
- What did God do this semester?
- What questions about God came up for you this semester? What was your journey like with those questions?
- How are you coming into this weekend?

#### [20 mins] Reflecting on the Night Session

- What resonated with you from Genesis 1 tonight?
- What are some challenges you experience in recognizing God's power to bring life in chaos with his word?
- How do you struggle to believe that can be true in your own life today?
- Is there anything you want to share about your encounter with God during the session tonight?

#### [10 mins] Pray for Each Other

- As you feel comfortable, pray for each other

## Saturday Night

### [5 mins] Catch Up!

- Have each person share what their day was like. What was a fun or new thing you did today?

### [15 mins] Reflect on the Day

We had four main parts of the day:

- Morning Scripture study of Exodus 34:1-10, 27-28
- Seminars & Guided Scripture Experiences
- Free time
- Evening session on John 1

What's been happening inside you as you've engaged in these things? How do you feel emotionally? Physically? Mentally? Spiritually?

- What took you by surprise? What was hard?
- How did you encounter God?

Let's Zoom out for a second and think about the last 24 hours. Pick one or two questions to answer:

- Remember back to how you felt coming into last night. How does that compare to how you feel now (emotionally, mentally, physically, spiritually)?
- What's one new truth about God you're taking out of this experience? What's one truth about yourself you're taking out of it?
- In one sentence, how would you describe the impact today has had on you?

### [15 mins] Taking It Home

There were 3 invitations made tonight:

- Staying open to what Jesus has to say about what's standing between you and him
- Saying yes to following Jesus for the first time
- Confessing, Repenting, and Recommitting your devotion to Jesus
- Joining the movement of God's Kingdom back on campus

Did you make a decision about any of these invitations, and if so, what was it? What thoughts or emotions were coming up as you responded to the invitation? What questions do you have, and what do you need to take the next step?

### [5 mins] Pray Together

- Spend a couple minutes thanking God for what he did today. Pray for anyone who responded to one of the invitations from tonight.
